

## **Checklist for Scrotal Pain**

The student asks the following questions:

- Did the pain develop gradually or suddenly?
- Is the pain unilateral or bilateral?
- Do you have any nausea or vomiting?
- Do you have any urethral discharge, or are you running a fever?
- Have you experienced any trauma or injury?
- Are you sexually active? If so, how many sexual partners do you have?
- Do you have any new sexual partners?
- Has any of your sexual partners had any pelvic discomfort or urinary symptoms?
